Fiber Optic Tool Kits

Built Around Your Job. Six ready-made kits in shoulder bags, tool boxes and hard cases — or a kit configured around your job: pick the tools from our full fiber optic range, choose the case, and finish with your own label.

FEATURED KIT

K-KIT02 Fiber Optic Tool Kit — Pro A

Complete 26-piece fiber optic tool kit in a reinforced hard case (430 × 330 × 135 mm) with fitted foam slots: J20 cleaver, CFS-2 stripper, KS-1 Kevlar shears, cable slitters, cleaning consumables and general hand tools. Contents customizable; private label available.

Every tool sits in its own foam slot — a missing tool is spotted at a glance before the team leaves the site.

- Reinforced hard case — 430 × 330 × 135 mm, fitted foam slots
- Complete 26-piece standard configuration
- Contents customizable — tools added, removed or swapped
- Private label available

MOQ: 100 sets · EXW factory prices · Prices on request
