K-35 One-Step Cleaver

KS-1 Kevlar Shears

SD-9 Fusion Splicer

K-KIT02 Tool Kit

Fiber Cleavers · Tool Kits · Strippers · Blades & Electrodes · Fusion Splicers · Test Instruments · Cleaning · Spare Parts · Connectors & Adapters · Crimping Tools

One-stop supply for FTTH crews, distributors and ISP contractors worldwide

Wenzhou LiKen Communication Technology Co., Ltd.

FIBER CLEAVERS

One-Step Fiber Cleaver K-35

Fully automatic one-step cleave — single fiber and 1–12 ribbon fiber, cleave angle ≤ 0.5°, CNC aluminum-alloy body. Custom…

MOQ: 10 pcs · Prices on request

Precision Fiber Cleaver K-21

CNC-machined precision cleaver with a built-in scrap collector — two-step cleaving, typical cleave angle ≤ 0.5°, blade life of…

MOQ: 10 pcs · Prices on request

High-Precision Fiber Cleaver K-10

High-precision fiber cleaver — cleave angle ≤ 0.5°, 16-surface tungsten steel blade rated for 48,000 cleaves, built-in scrap…

MOQ: 10 pcs · Prices on request

Economy Field Fiber Cleaver K-90

Clamp-style hand cleaver with a ruled leaf-spring scale — set the cleave length from 2 to 20 mm and cut with a carbide blade…

MOQ: 10 pcs · Prices on request

High-Precision Fiber Cleaver J20

Two-step fiber cleaver with automatic blade reset — cleave angle ≤ 0.5°, 16 blade positions for up to 48,000 cleaves, a…

MOQ: 50 pcs · Prices on request

Molded FTTH Fiber Cleaver K-07

A compact, economical bench cleaver in a die-cast aluminum body — built-in scrap collector, 200 g, and supplied in its own red…

MOQ: 100 pcs · Prices on request

FTTH TOOL KITS

Fiber Optic Tool Kit — K-KIT01

Built around your work — the tool selection is configured to each customer's requirements, carried in a light shoulder tool…

MOQ: 100 sets · Prices on request

Fiber Optic Tool Kit — K-KIT02

Complete 26-piece fiber optic tool kit in a reinforced hard case (430 × 330 × 135 mm) with fitted foam slots: J20 cleaver…

MOQ: 100 sets · Prices on request

Fiber Optic Tool Kit — K-KIT03

Built around your work — the tool selection is configured to each customer's requirements, carried in a red plastic tool box…

MOQ: 100 sets · Prices on request

Fiber Optic Tool Kit — K-KIT04

Built around your work — the tool selection is configured to each customer's requirements, carried in a green padded soft…

MOQ: 100 sets · Prices on request

Fiber Optic Tool Kit — K-KIT05

Built around your work — the tool selection is configured to each customer's requirements, carried in an aluminum hard case.…

MOQ: 100 sets · Prices on request

Fiber Optic Tool Kit — K-KIT06

Built around your work — the tool selection is configured to each customer's requirements, carried in a black soft shoulder…

MOQ: 100 sets · Prices on request

FIBER STRIPPERS

K-870 Tri-Hole Fiber Optic Stripper

Three factory-set holes strip the fiber down layer by layer — 1.6–3.0 mm jacket, 600–900 µm buffer, 250 µm coating — to clean…

MOQ: 100 pcs · Prices on request

KS-1 Kevlar Shears • IN STOCK

Lightweight, economical shears for cutting the Kevlar aramid strength members in fiber optic cable — one micro-serrated blade…

MOQ: 100 pcs · Prices on request

CFS-2/3 Fiber Optic Stripper

The two- and three-hole precision stripper for fiber preparation: factory-set notches take the fiber down layer by layer —…

MOQ: 100 pcs · Prices on request

K-6 Flat Drop Cable Stripper

One squeeze slits the flat drop cable jacket along both edges and cuts the strength members — the jacket halves peel away and…

MOQ: 100 pcs · Prices on request

K-SI-01 Longitudinal Cable Stripper

Two opposed blades score the jacket of round cables from 10 to 25 mm while the core stays untouched: set the blade depth to…

MOQ: 50 pcs · Prices on request

Armored Cable Slitter K-ACS-2

The small-cable armored slitter: the red roller sizes the same one-hand body down to cables from 4 to 10 mm — the armored…

MOQ: 50 pcs · Prices on request

Armored Cable Slitter K-ACS

The general-purpose armored slitter: hook it over any round cable from 8 to 28.6 mm, set the blade to the jacket, and draw —…

MOQ: 50 pcs · Prices on request

Double-Handle Armored Cable Slitter K-ACS-1

The two-hand armored slitter: a grip at each end of the bridge keeps the gold roller square on heavy cables from 8 to 28.6 mm…

MOQ: 50 pcs · Prices on request

Connector Insertion & Extraction Tool K-IET

Long-nose pliers that reach into a packed patch panel, grip an LC or SC connector by its body and boot, and pull it straight…

MOQ: 50 pcs · Prices on request

Mid-Span Access Tool K-MSAT5

Shaves a window into one loose buffer tube mid-span — the cable is never cut, the fibers running through stay live and…

MOQ: 50 pcs · Prices on request

Rotary Coaxial Cable Stripper K-352

A rotary coax stripper with a flip cassette — RG59/6 on one side, RG7/11 on the other — plus round and flat cable jacket…

MOQ: 50 pcs · Prices on request

Round Cable Jacket Stripper K-MK02

Ring and longitudinal jacket slitting for round cables 4.5–28.5mm — adjustable blade depth, a spring-loaded grip arm and a…

MOQ: 50 pcs · Prices on request

Round Cable Stripper K-RCS158

Rotary stripper for round cables of 19–40 mm diameter: a spring-loaded brace, an adjustable blade, and ring, spiral or…

MOQ: 50 pcs · Prices on request

Round Cable Stripper K-RCS114

Rotary stripper for round cables of 4.5–29 mm diameter: a spring-loaded brace, an adjustable blade, and ring, spiral or…

MOQ: 50 pcs · Prices on request

Loose Tube Opener K-5

Five grooves, ten blade points, one pull: lay the loose tube in the groove sized to it — 1.5–1.9, 2.0–2.4, 2.5–2.9, 3.0–3.3 or…

MOQ: 50 pcs · Prices on request

Central Loose Tube Slitter K-SLT

Four grooves cover every standard loose tube from 1.5 to 3.3 mm: lay the tube in the groove that matches it, close the two…

MOQ: 50 pcs · Prices on request

Loose Tube Longitudinal Stripper K-LS1

A solid box that swallows the tube and slits it into two halves: feed the loose tube through the hole that matches it —…

MOQ: 50 pcs · Prices on request

Longitudinal Center Pipe Stripping Tool

One hinged book of channels for the whole cable: nine sizes from 1.5 mm loose tubes to 11 mm center pipes, each channel…

MOQ: On request · Prices on request

ABS Cable Stripper K-ABS

A one-piece aluminium paddle that slits round cable jackets lengthwise in a single draw: seat the cable at the head window…

MOQ: 50 pcs · Prices on request

Buffer Tube & Coaxial Cable Stripper K-162

A peg-style stripper that rings and slits small round cables with the blade depth set by screw, so the jacket parts without a…

MOQ: 50 pcs · Prices on request

Steel Tape Removing Tool K-ST1

The two halves clamp over the cut steel tape, a few counter-turns split it open — armour off the cable without prising…

MOQ: 50 pcs · Prices on request

Network & Coax Cable Stripper K-MS1

One palm-size rotary stripper for the two round cables of every install: coax prepped for its F-connector in three turns…

MOQ: 50 pcs · Prices on request

CLEAVER BLADES & ELECTRODES

Replacement Blade CB-07 for Fujikura CT-08

The replacement blade for the Fujikura CT-08 cleaver — 16 positions × 3 heights, 48,000 cleaves, swapped in the field.

MOQ: 10 pcs · Prices on request

Replacement Blade CB-08 for Fujikura CT-50

The replacement blade for the Fujikura CT-50 cleaver — 16 positions × 3 heights, 60,000 single-fiber cleaves.

MOQ: 10 pcs · Prices on request

Replacement Blade CB-10 for Fujikura CT-60

The replacement blade for the Fujikura CT-60 cleaver — approx. 60,000 fiber cleaves, motorised rotation, changed by the user…

MOQ: 10 pcs · Prices on request

Replacement Blade CB-6S for Sumitomo FC-6RS, FC-6R+, FC-7R & FC-8R

Our CB-6S blade for Sumitomo's auto-rotating cleavers — Ø20 mm tungsten steel, 78,000 cleaves, for the FC-6RS, FC-6R+, FC-7R…

MOQ: 10 pcs · Prices on request

Replacement Blade CB-1S — Ø20 mm Multi-Fit Cleaver Blade

The Ø20 × 3 mm blade that fits half the cleavers on the market — many Sumitomo and Furukawa models, and Chinese-made cleavers…

MOQ: 10 pcs · Prices on request

Replacement Blade CB-2S — Ø22.5 mm Multi-Fit Cleaver Blade

The Ø22.5 × 2 mm, 16-position blade for Fujikura, INNO and Jilong cleavers — and for Chinese-made and other cleavers built…

MOQ: 10 pcs · Prices on request

Fusion Splicer Electrodes K-E1 — for Fujikura, Sumitomo, INNO, Comway & Jilong

Replacement electrode pairs for the splicers your crews already run — Fujikura, Sumitomo, Comway, INNO, Jilong and more…

MOQ: On request · Prices on request

Fusion Splicer Electrodes K-E2 — for Fujikura 27S / 28S / 37S / 38S / 66S / 87S / 88S

Cartridge-style replacement electrodes for Fujikura's S-series splicers — the 27S, 28S, 37S, 38S, 66S, 87S and 88S machines…

MOQ: On request · Prices on request

FUSION SPLICERS

Fusion Splicer SD-6A

The compact crew splicer: 4-motor core alignment and a 6-second fully automatic splice, with a power meter and VFL built in…

MOQ: 1 pc · Prices on request

Fusion Splicer SD-9

Six-motor core alignment, a 5-second splice and 11-second heat — with a power meter and a 15 mW VFL built in, so the splicer…

MOQ: 1 pc · Prices on request

OTDR & TEST INSTRUMENTS

OTDR K-600

A platform OTDR for FTTx, metro and backbone work: choose the wavelength set and dynamic range the network needs, read it on a…

MOQ: 1 pc · Prices on request

OTDR K-610

A 7-inch tablet OTDR platform for trunk and metro work — dual-wavelength builds climbing to 45/43 dB and 240 km, plus 1625 nm…

MOQ: 1 pc · Prices on request

Optical Power Meter K-510

The bench-hand power meter for FTTH crews: two detector ranges, eight calibrated wavelengths including 1577 nm for XGS-PON…

MOQ: 10 pcs · Prices on request

Palm OTDR K-3500

A palm-size touch-screen OTDR that folds a power meter, light source, VFL and event map into 300 grams — five builds from…

MOQ: 1 pc · Prices on request

Optical Fiber Identifier K-350

Clamp it on a live fiber and it tells you — without cutting anything — whether light is there, which way it travels, how…

MOQ: 10 pcs · Prices on request

Optical Fiber Identifier K-340

The identifier that also finds faults: clip-on live-fiber identification with a universal holder, plus a built-in 10 mW VFL…

MOQ: 10 pcs · Prices on request

Optical Cable Identifier K-200

Finds the one cable you want inside a manhole or duct full of identical ones: tap the cable, and the K-200 turns the knock…

MOQ: 1 pc · Prices on request

Fiber Comprehensive Tester K-310

The FTTH door-step box: OTDR, power meter, light source, VFL, event map, network cable test and a work lamp in one 5-inch…

MOQ: 1 pc · Prices on request

Pro OTDR K-4300

The pro-tier platform: a 4.3-inch touch OTDR with intelligent link analysis, eight builds to 32 dB and 150 km — including…

MOQ: 1 pc · Prices on request

Mini OTDR K-3300

The entry OTDR done right: a 3.5-inch touch-screen mini OTDR with event map, VFL and optional power meter — dual-wavelength…

MOQ: 1 pc · Prices on request

Optical Power Meter K-520

The slim meter of the range: the same two detector grades and eight PON wavelengths in a 26 mm body that disappears into a…

MOQ: 10 pcs · Prices on request

Multi-Function Optical Power Meter with VFL K-520V

Four tools in the slim body: power meter, 5/15/30 mW visual fault locator, RJ45 cable tester and flashlight — the FTTH…

MOQ: 10 pcs · Prices on request

Optical Power Meter K-530

The recording meter: two detector grades, eight PON wavelengths and room for 200 measurements you can review on the unit —…

MOQ: 10 pcs · Prices on request

Multi-Function Optical Power Meter with VFL K-530V

The top of the handheld range: power meter, VFL, RJ45 tester and flashlight with a colour display, 200-record storage and…

MOQ: 10 pcs · Prices on request

Visual Fault Locator K-V20

A flat handheld red-light locator with real range: 650 nm at up to 50 mW, a built-in work light and a 2.5 mm universal port —…

MOQ: 10 pcs · Prices on request

PON Power Meter K-PON01

A pass-through PON power meter that reads every wavelength on the fiber at once — upstream and downstream together, with…

MOQ: 1 pc · Prices on request

OTDR Launch Cable K-125

OTDR launch fiber in a rugged field case — fiber, length and connectors all made to order: OS2 singlemode or OM1/OM2/OM3…

MOQ: 1 pc · Prices on request

Optical Power Meter K-527

Absolute power and link loss on one backlit screen: -70 to +10 dBm across the seven wavelengths FTTH work actually uses, in a…

MOQ: 10 pcs · Prices on request

Visual Fault Locator K-V10

One pen body, six output powers from 1 mW to 30 mW: pick the light your link length needs, and breaks, bad bends and faulty…

MOQ: 10 pcs · Prices on request

Power Meter + 10 mW VFL Multi-Meter K-PV1

The chunky four-in-one for combined visits: a -70 to +10 dBm power meter and a 10 mW red-light locator in one housing, plus…

MOQ: 10 pcs · Prices on request

FIBER CLEANING

One-Click Fiber Cleaner Pen K-SC (2.5 mm, SC/FC/ST)

One push cleans an SC, FC or ST end face — through the adapter or in your hand — with a fresh strand of cleaning thread every…

MOQ: 50 pcs · Prices on request

One-Click Fiber Cleaner Pen K-LC (1.25 mm, LC/MU)

One push cleans an LC or MU end face — through the adapter or in your hand — with a fresh strand of cleaning thread every…

MOQ: 50 pcs · Prices on request

One-Click MPO Cleaner Pen K-MPO (MPO/MTP)

One push cleans a whole MPO/MTP ferrule — all fibers at once, male or female, in the adapter or in your hand — 500+ cleans a…

MOQ: 50 pcs · Prices on request

Fiber Cleaning Box K-CB550 (Cassette Type)

A bench cassette that wipes SC, FC, ST and LC end faces on fresh microfiber tape — 550+ cleans on one core, and when the core…

MOQ: 50 pcs · Prices on request

Replacement Cleaning Core K-CB550R

The spare cleaning core for the K-CB550 box — same dry microfiber tape, 550+ cleans, swapped in seconds with no tools.

MOQ: 50 pcs · Prices on request

Lint-Free Fiber Cleaning Wipes KW-280 — 280 Sheets

The box that lives on every splicing bench: 280 lint-free delicate task wipes for end faces, ferrules and bare fiber.

MOQ: 60 pcs · Prices on request

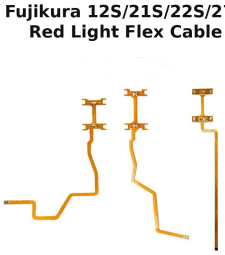

Fiber Inspection Microscope KX-24

Handheld fiber end-face inspection microscope in 100X, 200X and 400X versions, with 2.5mm and 1.25mm adapters — because a…

MOQ: 10 pcs · Prices on request

FUSION SPLICER SPARE PARTS

Fusion Splicer Flex Cables for Fujikura — K-FU01

Replacement flex cables for Fujikura fusion splicers — the red light flex cable for the 12S, 21S, 22S and 27S, and the front…

MOQ: On request · Prices on request

Fusion Splicer Spare Parts for INNO — K-IN01

Replacement parts for INNO fusion splicers — display flex cables, the CCD flex cable and CCD camera, the illumination light…

MOQ: On request · Prices on request

Fusion Splicer LED Flex Cable for Sumitomo T-400S — K-SU01

Replacement LED flex cable for the Sumitomo T-400S (TYPE-400S) fusion splicer — the LED flex cable that lights the splice…

MOQ: On request · Prices on request

Fiber Splice Protection Sleeves 60mm KM-60

60mm heat shrink splice protection sleeves with a stainless steel strength pin — the standard closing step of every fusion…

MOQ: On request · Prices on request

LCD Flex Cable FSM-80S/70S K-SP01

Replacement LCD flex cable for FSM-80S / FSM-70S fusion splicers.

MOQ: 10 pcs · Prices on request

LCD Flex Cable 87/88S K-SP10

Replacement LCD flex cable for 87S / 88S fusion splicers.

MOQ: 10 pcs · Prices on request

Touch Screen 27/37/66/87 K-SP11

Replacement touch screen for 27 / 37 / 66 / 87 series fusion splicers.

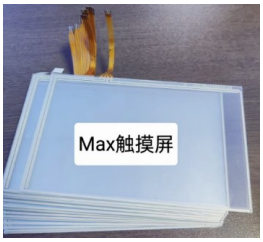

MOQ: 10 pcs · Prices on request

LCD Screen 27/37/66/87 K-SP12

Replacement LCD screen for 27 / 37 / 66 / 87 series fusion splicers.

MOQ: 10 pcs · Prices on request

Touch Screen for EXFO OTDR MAX Series K-SP16

Replacement touch screen for EXFO OTDR MAX series.

MOQ: 10 pcs · Prices on request

Fusion Splicer Fixture Pressure Pad K-SP23

Replacement fixture pressure pad for fusion splicers — supplied per set.

MOQ: 10 pcs · Prices on request

More spare parts available — tell us your fusion splicer or OTDR model and we will match the part you need.

ADAPTERS & FAST CONNECTORS

Fiber Optic Adapters

The full adapter range — SC, LC, FC, ST, E2000 and MPO couplers plus hybrid adapters — in simplex, duplex and quad, for single…

MOQ: On request · Prices on request

SC Fast Connectors KW-01 — SC/APC & SC/UPC Field Assembly

Field assembly SC connectors in APC and UPC — a whole family of housings from 45 to 60 mm, terminated with the length-setting…

MOQ: On request · Prices on request

CRIMPING TOOLS

Modular Crimping Tool K-RJ45

One crimper for the three modular plug sizes — 8P RJ45, 6P and 4P — that crimps, strips and cuts in a single tool, with a kit…

MOQ: 100 pcs · Prices on request

Ratchet Modular Crimping Tool K-RJ10

The ratchet version of the modular crimper: 8P, 6P DEC and 4P dies, built-in 6 mm and 12 mm strip gauges, and a locking handle…

MOQ: 100 pcs · Prices on request

Coaxial Compression Tool K-CX59

A compression tool for F-type connectors on RG59, RG6 and RG11 — one squeeze presses the sleeve home for a weather-tight…

MOQ: 100 pcs · Prices on request

Compact Coaxial Compression Tool K-CX2

The compact compression tool for everyday RG6 and RG59 F-connector work — short body, fixed stroke, nothing to adjust: load…

MOQ: 100 pcs · Prices on request

Ratchet Hex Crimping Tool K-CX3

A ratchet hex crimper with quick-change dies — the photographed set crimps 1.5, 2.5 and 6 mm² terminals and coax connector…

MOQ: 100 pcs · Prices on request

Pass-Through Modular Crimping Tool K-RJ86

Crimp, trim, cut and strip with one ratchet tool: 8P pass-through plugs are crimped and trimmed flush in a single squeeze, and…

MOQ: 100 pcs · Prices on request

CAT7 Crimping Tool K-C7A

A compact vertical-action crimper for the plugs a standard pliers tool handles badly: shielded Cat6A and Cat7 RJ45 with their…

MOQ: 100 pcs · Prices on request
